Gerald J. Stuitje, RSBA
Assistant Superintendent for Finance and Management Services

January 26, 2007

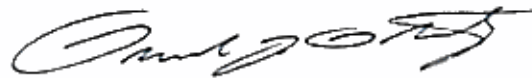

TO WHOM IT MAY CONCERN:

I am pleased to write this letter of recommendation for Energy Enterprises, Inc. The Lockport City School District has been completely satisfied with the service that has been offered by Energy Enterprises. Bill Green and his staff have tremendous knowledge and expertise related to the energy business. In addition, they are readily available to share their information by phone, e-mail, or in person.

Energy Enterprises has assisted our District in the purchase of natural gas on the open market since 1988 and electricity since 2000. Additional services they have provided include weekly meter readings, monthly reporting, auditing, and budgeting. They also assist in the monitoring of natural gas and electricity usage to maintain energy-efficient buildings.

In our long-term relationship with Energy Enterprises, we have found them to be a very useful and reliable company. Any energy-related questions or issues are always referred to them prior to any action on our part. Do not hesitate to contact me if you require any further information on the beneficial service this company has provided our District.

Sincerely,

Gerald J. Stuitje, RSBA
Assistant Superintendent for
Finance and Management Services

"Pride in Our Past; Faith in Our Future"

We believe: All people can learn. Schools create conditions for success: academically, socially, emotionally, physically, and aesthetically. Teaching and learning are the shared responsibilities of home, school, and community. Our mission is to assure comprehensive learning for all so that each person will be a lifelong learner.
