Re: EE Consulting Services

Dear Mr. Green;

I want to express my gratitude for the excellent service you have provided to our school districts. Your program has made a difference in the cost and consumption of energy, keeping energy cost within our budget.

I would also like to compliment you on your professionalism and knowledge in energy related matters. Savings from the program are used to maintain a quality education program.

Please feel free to use this letter as a reference for any future clients. I would highly recommend your service to anyone without hesitation. I am confident that they would benefit from your expertise and energy management program.

Sincerely,

Clark J. Godshall, Ed.D.
District Superintendent
