To Whom It May Concern:

I am writing this letter in appreciation for the fine service we at Attica Central School have received from Energy Enterprises, Inc. Our relationship with this company has been long term and very successful throughout. I have great confidence in this organization mainly because I have learned that the information I receive from them is accurate – they truly have their finger on the pulse of the energy market.

Mr. Green and his staff have always been attentive to our needs. In addition to providing us with our energy bids and energy monitoring, they have on several occasions handled special projects on our behalf. In one such instance, the result was a savings in excess of \$100,000 – certainly noteworthy.

I have every reason to believe that this fine relationship will continue to grow for some time into the future.

Sincerely,

Stephen M. Dziak, CPA
